October 3, 2017

Dear Lot Owners,

The purpose of this letter is to reaffirm that from this day forward, Rule 2.A.8(Fences) and Rule 8, inclusive of all sections(Building and/or Installation Rules), will be enforced without exception. It is each lot owner's responsibility to be familiar with each of the above Rules and to understand that no work of any kind is to begin on any project outside the home until the Building Committee and/or the Venture Out at St. Lucie Board of Directors has approved the site plan submission and Form 101.

Terry Baxter, for the Venture out at St. Lucie Board of Directors
