- A storage lot is available for RVs, boats etc. Check with the V3 office for cost and location.

Pot Luck dinners

On most Mondays during the season there is a pot luck supper at the clubhouse. A different group hosts the meal each week and provides the entree. A signup sheet is posted in the round room from Tuesday to Friday for the upcoming Monday evening. You need to sign up with name, lot number, number of attendees and your choice of category of side dish that you will bring. Each person is responsible for a dish to feed 5, each couple one dish to feed 10. There is a small charge payable when you arrive and check in. Please bring your own dish, silverware, napkin and beverage. Water and ice are provided. The school lunch type compartmentalized plates are ideal. Open seating tables are provided for those arriving without a seat assignment. Please note that signing up means that you are expected - names and lot numbers are checked off the list as you enter. Food has been provided for the number signed up and payment will be due. In case of illness etc. please try to contact the host for that week.

Meet and greet/cocktails are at 5.30pm, dinner at 6pm. We look forward to meeting you and having you share your 1st pot luck dinner with us. There are free passes for 2 people for your first meal available to you with this guide. You must still sign up in the clubhouse & indicate what side dish you will bring but there will be no charge.

If you would like to volunteer to help, check with the event host listed for that week or with the recreation committee chairperson.

Recreation committee

If you are an owner or renter you are part of this 'committee'. There is a meeting every Tuesday morning at 10.30a.m. in the clubhouse and you are encouraged to attend. Hear news of what is happening and what future events are coming up. This is your chance to participate in planning and allocating funds for such things as maintaining the sports facilities, purchasing needed kitchen equipment and replacing items that are worn out etc. All monies raised through special events help to keep down the association fees & therefore the rents. Your ideas for new activities to add to the social calendar will be welcomed. A meeting usually lasts 30-40 minutes.

Weekly classes

All offerings will be listed on the bulletin board in the clubhouse. At any given time these may include a variety of morning exercise programs, line dancing, water aerobics, Zumba, art classes and crafters group – mostly needle workers but any craft person may join in. Ideas for other classes are welcome. Refer to the monthly activity sheet for times and general information.

Venture 3 Golf League

Venture 3 golf league plays on Fridays at the Palm Cove Golf Course in Palm City. There is a fee per person per outing. You must sign up by Tuesday and make payment by Thursday. A midseason and end of season tournament and luncheon is held for those interested in attending.

Annual Special Events

The community flea market is a very big fund raising event each February. A large variety of goods are offered along with a bake sale, basket of cheer & arts and crafts raffles. Coffee and donuts and a lunch menu are served. Donations of goods for sale are welcome year round and volunteers always needed. Check in the office to contact the market organizers.

The February Fashion Show is the 'ladies day out'. Fashions are offered from different local companies each year. V3 volunteers are our models. Lunch is served and there are many door prizes donated by residents and local businesses.

Other parties, dances and special events are announced as planned. Check the bulletin board and channel 63 on your TV.

Sports

Tennis, basketball, volleyball, pickle-ball, bocce and shuffle board are all available. Your Venture key will provide access to the equipment storage boxes located next to the shuffleboard courts.

Volleyball is played daily and is open to everyone. There is a bocce league you may join for a small fee. The proceeds are used to sponsor a luncheon on the last game day. The courts are not available while the league games are in session, usually on Thursday, but are available any other times including evenings.

Games

Tuesday night is games night at the clubhouse. A variety of games are offered and new ideas are welcome.

Library

There is a library located adjacent to the pool. You can borrow books, tapes, jigsaw puzzles and CD's on the honor system. Donations are welcomed.

Exercise Room

The gym is located near the clubhouse and pool. You can obtain a key at the office. You will be asked to sign a waiver and leave a refundable deposit. Showers are also available in the rear of the clubhouse. Your Venture key will give you access to these facilities.

Swimming Pool

You will need your Venture key to access the pool, which is located near the clubhouse. Pool hours are posted at the entrance.

Pool Hall

Your Venture key will access the pool hall adjacent to the gym. Hours are posted at the entrance.

Beach Access

Your Venture gate clicker will also allow access to the gated parking area at the beach, located next to Turtle Reef. Your Venture key will open the pedestrian gate. You may also reach the beach on foot via the tunnel under A1A shared with Holiday Out. The entrance is opposite the corner of S.Bluefish and S. Kingfish.

Cable and Wi-Fi

Comcast is the service provider for Cable TV at Venture 3. Basic service is automatically included at each lot. Free WiFi is available in the library and surrounding area. Internet service at your lot can be arranged with Comcast, phone (800) 226 2278. This will be at the expense of the owner or renter. AT&T will also provide Internet service if you have a land line installed.

Fishing in the Park

There is a V3 fishing area located adjacent to lot 888. Please be considerate of the residents there. The fish cleaning table is at the end of the marina by the clubhouse. Please leave this area clean.

”Woodworms”

The woodshop is located at the north end of the clubhouse. Check with the V3 office for current fees and to obtain a key. Tools are for use in the woodshop only.
