

Use your Google Assistant to control your Fision TV+ with just one click of a button and your voice.

To use the voice control feature:

- 1 Press the Google Assistant button 
- 2 Wait for the search bar to appear on the screen
- 3 Speak naturally into the remote

Do I need a Google account to use Fision TV+?

No, but it is highly recommended. With a Google account, you'll be able to use Google Play, Google Music, Google Games and Google Assistant right on your Fision TV+ box.

Don't have a Google or Gmail account?

To create a google account, visit accounts.google.com/signup

To maximize your experience using the voice control functionality, sign-in to your Google account.

Now you can control your other connected smart home devices by using Google Assistant on your Fision TV+

- 1 Open the Google Home app on your mobile device and tap **Settings**
- 2 Add all your smart home devices and default music providers
- 3 Press the Google Assistant button on your Fision TV+ remote and speak your request

Give it a try!

Search for shows across all available channels and apps by saying show titles like

How I Met Your Mother

Launch specific apps by saying the name of apps installed on your device

Launch Netflix

Play your favorite band or artist from your preferred music provider

Play Taylor Swift on Spotify
